

The Woodlands at Cherokee Valley POA

Vision/Mission/Values Statement

Vision Statement

Make the Woodlands a community of neighbors working together in an open, supportive manner, emphasizing volunteerism in activities and to achieve a better quality of life while protecting our property values.

Our overall goal is to make the Woodlands a desirable place to buy, build, and live.

Mission Statement

Our mission is to **support growth** of the community, **protect investment** of all owners, **engage owners** to enhance the quality of community and allow owners to express their **individuality**.

Values

To fulfill our mission and achieve our vision, We value:

Openness - collaboration among owners, participation in meetings, active communication to community owners.

Objectivity - clear guidelines with rationale documented. Fact-based decisions.

Fairness- actively consider others' viewpoints and impacts of decisions.

Cooperation – put aside differences to meet the larger goal.

Respect – treat all owners as equals. No derogatory behaviors.
