

## Woodlands at Cherokee Valley Results of Referendum on Combined Lots and Annual Assessments

The Woodlands Board of Directors would like to communicate to you about the results of the Combined Lots and Annual Assessment Referendum that was sent out in September and closed on October 4<sup>th</sup>. We had a total of 28 ballots returned. The results are broken down by categories in the table below. As you can see, the majority of the votes were to keep the Woodlands practice as has been in place for many years.

	Total Votes	Woodlands Votes	Valley Votes
Resident	20	14	6
2 <sup>nd</sup> Lot	2	2	0
Build/Plan to Build	3	1	2
Other Owner	3	0	3
Total	28	17	11

Obviously, we would have liked to have had more ballot returns. To those of you who participated in the voting, thank you for your interest and involvement in the affairs of the community.
